## Medical Benefits

Student Medicover cooperates with nib, an OSHC provider recognized by the Australian government, to provide medical insurance for overseas students in Australia. We pay benefits towards medical services provided by a doctor either in or out of hospital, that are listed on the Australian Government Medicare Benefits Schedule (MBS). You must pay the difference, if any, between the benefit nib pays and the actual fee charged by the doctor or medical provider. No benefits are payable for services not covered by this policy, see 'Exclusions' below.

The medical services and benefits payable under nib OSHC Core:

Services	Benefits
Doctor (general practitioner) visits	Benefits equivalent to 100% of the MBS fee for consultations with a doctor. If your doctor charges more than the recommended MBS fee you will be required to pay the difference
Medical services provided out of hospital (e.g. specialists, pathology and radiology)	Benefits equivalent to 85% of the MBS fee
Medical services provided when admitted to hospital (e.g. surgeon's fees, anaesthetist's fees)	Benefits equivalent to 100% of the MBS fee
Emergency ambulance (medically necessary transport provided by a State and Territory ambulance service)	Benefits equivalent to 100% of the ambulance fee

## Hospital Inpatient Benefits

When you're admitted to a private hospital that is contracted to nib, we will pay 100% of the contracted rate for the following services that relate to procedures included on nib OSHC Core.

- ✓ Doctors' surgical fees and in-hospital consultations (100% of the MBS Fee)
- ✓ Hospital accommodation for overnight and same day stays
- ✓ Government approved prosthetic devices
- ✓ Operating theatre, intensive care and ward fees
- ✓ Pharmaceuticals for treatment when in hospital

If admitted to a private hospital that is not contracted to nib, we will pay 100% of the default benefit. This may result in significant out-of-pocket expenses. No benefits are payable for services listed under 'Exclusions'.

If you are admitted to a shared ward in a public hospital, we will pay 100% of the Gazetted Rate determined by State and Territory health authorities. This may result in you experiencing significant out-of-pocket expenses.

You will be responsible for paying any difference between the benefit we pay, and the amount charged. It is important that you check your benefit entitlement with nib before going into hospital by calling 1800 775 204.

- 12 months - Pregnancy and birth related services
- 2 months - Pre-existing psychiatric treatment
- No waiting period - Ambulance services

## Prescription Medicines

Limit of \$50 per prescription item listed on the Pharmaceutical Benefits Scheme (PBS), after you pay the PBS patient contribution.

- \$300 yearly limit for singles
- \$600 yearly limit for couples and families

No benefits are payable for items not listed on the PBS.

### Important

If you gain access to Medicare entitlements or your visa status changes (e.g. you are granted permanent residency), your OSHC policy may no longer be suitable. Please contact us if your circumstances change.

We recommend that you confirm any out-of-pocket expenses before admission with the hospital and doctors (including the surgeon, assistant surgeon and anaesthetist).

Where possible before booking treatment, you should always call us to ask about the benefits you can expect to receive and any out-of-pocket expenses you might incur.
